3. BANNER ADS-COMMUNITY PAVILION

(9401 S. OAK PARK AVE.)

Community Pavilion Arena banner advertising exposes your business or organization to a captive audience of thousands each week! Knowing that any advertisement at the Community Pavilion will give your company a consistent message for a long period of time and at a lower cost than other traditional methods, makes this opportunity hard to pass up!

These special advertising banners make a "ring" around the 1/8th of a mile indoor track suspended above the indoor soccer rink in the arena at the Community Pavilion. Advertising space is available on the inside of the railing around the track. This type of advertising is one of the most visible forms of advertising available in town. These panels (approximately 3 x 8 ft.) are a prime way to create positive advertising impressions to a wide spectrum of youth and adult soccer, ball hockey, basketball, and volleyball players as well as spectators. These banners will also be on display during all of the shows, tournaments, and rentals hosted in the arena.

If you want to "Get On Track" or would like more information about these sponsorship opportunities, please contact Tom Hartwig at 708-857-2420 or thartwig@olparks.com.
